Expert Witness

Tracie Dominguez is a board-certified Physician Associate specializing in geriatrics, hospice and palliative medicine, short and long-term care, and skilled nursing facilities. As a retired Army Major with combat experience, she uniquely combines military precision with comprehensive clinical insight, positioning her as an invaluable expert witness. Tracie has dedicated her career to the highest quality of care, making her a reliable, trustworthy source of expert testimony.

Clinical Experience

Iconic Care

November 2025 - Present

Physical Medicine and Rehabilitation PA

- Round in skilled nursing facilities as part of an embedded physiatry (PM&R) team, providing function-focused care to patients with physical impairments, injury, and chronic conditions.
- Manage acute and chronic pain using early, tailored rehabilitation strategies, emphasizing non-opioid modalities and appropriate opioid tapering to support therapy participation and continuity of care.
- Perform in-facility procedures including large and small joint injections (hip, knee, shoulder, ankle), bursa and steroid injections, joint aspiration, and trigger point injections to improve mobility and reduce avoidable hospitalizations.

HomeWell Care Services

August 2020 - present

Owner, Director

- Established and operated a successful home care agency, overseeing all aspects of business operations, including finance, marketing, human resources, and regulatory compliance.
- Implemented rigorous quality control measures to monitor and improve the standard of care provided, leading to improved client satisfaction rates.
- Provided expert consultation on complex cases, leveraging extensive medical knowledge and experience.
- Regularly reviewed and updated agency policies and procedures to reflect changes in legislation and best practice guidelines.
- Championed a culture of continuous improvement, regularly seeking feedback from staff and clients to identify areas for improvement and implement necessary changes.

Fountain View Health and Rehabilitation

October 2021 – April 2022

Primary Care Physician Assistant

- Pioneered patient care for over 100 chronically ill high-risk patients with multiple comorbidities, honing skills in acute, urgent, and primary care settings.
- Led high-risk pharmacology reviews and devised strategic care plans, which effectively decreased side effect profiles, improved compliance, streamlined medication management, and over increased quality of care.
- Demonstrated mastery in exams, assessments, medical decision-making, and prescription management.

Dispatch Health, Colorado Springs, CO

April 2017 – July 2021

Emergency Medicine Physician Associate

- Focused on urgent care for geriatric patients, emphasizing the medically complex and vulnerable populations.
- Displayed proficiency in treating chronic and complex conditions such as COPD, CHF, kidney disease, wounds, and arrhythmias.
- Conducted over 1000 urgent care visits in settings, such as home care, assisted living, skilled nursing, and memory care facilities.
- Communicated the patient's diagnosis, disposition and treatment plan with facility nurses, health care providers and POAs to ensure continuity of care.

Javier Villaneuva Troop Medical Clinic, Fort Irwin, CA

September 2015-January 2017

- Medical Director
- Supervised one nurse practitioner and 3 physician's associates.
- Conducted chart reviews, and ensured care met or exceeded the standard of care.

Farrelly Army Health Clinic, Ft. Riley, KS

January 2014-September 2015

- Senior Brigade Physician Associate
- Established and directed specialized clinics, including a woman's readiness clinic and sports medicine clinic.

US Army, Evans Army Community Hospital, Fort Carson, CO

October 2009- December 2013

- Brigade Surgeon
- As Brigade Surgeon served as primary advisor on all medical and health matters to the Brigade Commander.
- Delivered primary care to over 1800 Soldiers and their families, with an emphasis on internal medicine.

Education

- **Master of Physician Associate Studies**, University of Nebraska, Omaha, NE, May 2009
 - Emphasis on internal medicine
- **Bachelor of Science, Microbiology**, California Polytechnic University, Pomona, December 1999.

Certifications and Licensure

- Unrestricted Colorado Physician Associate Licensure, #4909, January 2027
- NPI: 1790011757
- Certification by the National Commission on Certification of Physician Associates, 2009- present
